

SEASON RESERVED SEATING

The following 2025 Toyota AFL Season games will be played at Adelaide Oval.

The Ultimate Football Membership is predominantly an unreserved membership, however there is a limited number of Season Reserved Seats that are set aside which members can purchase in addition to their normal membership cost.

These Season Reserved Seats can be added to membership for 11 Adelaide Crows home games and/or 11 Port Adelaide home games.

Season Reserved Seats are currently sold out, and a waitlist has been started which members can join by calling Member Services on 1300 100 336.

Season Reserved Seats are offered to those at the top of this waitlist as they become available due to non-renewal by current season reserved seat holders.
